and since we've no place to go let it snow, let it snow, let it snow.

It doesn't show signs of stopping and I've bought some corn for popping.

The lights are turned way down low let it snow, let it snow, let it snow

When we finally kiss goodnight how you'll hate going out in the storm.

But if you really hold me tight all the way home you'll be warm.

The fire is slowly dying And my dear we're still goodbying.

But as long as you love me so let it snow, let it snow, let it snow.
