

Let It Snow

[illegible]

Oh the weather outside is frightful but the fire is so delightful,

[illegible]

and since we've no place to go let it snow, let it snow, let it snow.

[illegible]

It doesn't show signs of stopping and I've bought some corn for popping.

[illegible]

The lights are turned way down low let it snow, let it snow, let it snow.

[illegible]

When we finally kiss goodnight how you'll hate going out in the storm.

[illegible]

But if you really hold me tight all the way home you'll be warm.

[illegible]

The fire is slowly dying And my dear we're still goodbying.

[illegible]

But as long as you love me so let it snow, let it snow, let it snow.
